MEMORANDUM

TO: Honorable Mayor and City Council
THRU: Wilfredo Melendez, City Manager
FROM: Edward Ritter, Finance Commissioner
DATE: June 17, 2025
SUBJECT: PROPOSED AMENDMENT TO THE CODE OF THE CITY OF NEW ROCHELLE, CHAPTER 288, TAXATION - Ordinance adding Article XII, Deployed Military Exceptions, Section 288-64 Deployed military, Extension of Tax Due Date, of Chapter 288, Taxation.

BACKGROUND:

There are times when people are deployed by the military, meaning a person who has been ordered to active military duty, other than training; their lives are on hold, unfortunately their expenses are not. Among all their obligations, property tax comes due on their property. With limited funds to the household while they are deployed, this can become a serious burden.

ISSUE:

There is provision under Real Property Tax **§925-d** to extend tax payment deadline for military persons on deployment. The extension allows them to pay taxes without interest for ninety (90) days after deployment has ended. Military persons would be asked to show their deployment orders to support this extension.

This law is an “opt-in” for NY municipalities, such that the city can choose to adopt it into law to make it effective.

RECOMMENDATION:

It is our recommendation that Council adopt a resolution, Adding Article XII: Deployed Military Exception; **§288-64** Deployed military; extension of tax due date to Chapter 288: Taxation

LEGISLATION

ORDINANCE AMENDING CHAPTER 288, TAXATION, OF
THE CODE OF THE CITY OF NEW ROCHELLE TO ADD
ARTICLE XII, “DEPLOYED MILITARY EXCEPTION,” AND
SECTION 288-64, “DEPLOYED MILITARY; EXTENSION OF
TAX DUE DATE.”

WHEREAS, individuals deployed to active military duty often face financial hardship due to a reduction in household income while their regular expenses, including local property taxes, continue unabated; and

WHEREAS, Real Property Tax Law §925-d authorizes municipalities in New York State to allow a 90-day extension on the payment of real property taxes for deployed military personnel without imposition of interest or penalties; and

WHEREAS, this provision is available only upon local adoption, and the City Council finds it just and appropriate to provide such relief to deployed military personnel who reside in and contribute to the City of New Rochelle.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of New Rochelle:

Section 1. Amendment to Chapter 288: Taxation

Chapter 288 of the Code of the City of New Rochelle is hereby amended to add a new Article XII, entitled “Deployed Military Exception,” and new § 288-64, to read as follows:

§ 288-64. Extension of Tax due date for Deployed Military

It is the intent of the City to provide a real property tax extension to persons who are deployed by the military; meaning a person who has been ordered to active military duty, other than training. The extension allows for payment of property taxes, without interest for ninety (90) days after their deployment has ended. Military persons would be required to show their deployment orders to support this extension as set forth in Real Property Tax Law § 925-d.

Section 2. Effective Date

This Ordinance shall take effect immediately upon adoption and filing with the Secretary of State.

MEMORANDUM

TO: Honorable Mayor and City Council

THRU: Wilfredo Melendez, City Manager

FROM: Wilfredo Melendez, City Manager

DATE: June 17, 2025

SUBJECT: PROPOSED AMENDMENT TO THE CODE OF THE CITY OF NEW ROCHELLE RE: VETERANS' ADVISORY COMMITTEE - Ordinance amending Chapter 9 of the Code of the City of New Rochelle to establish a revised Veterans' Advisory Committee.

BACKGROUND:

On January 16, 2018 the City Council adopted a resolution creating the Veterans' Advisory Committee ("VAC") to advise the City on policies and programs that relate to the interests of veterans in the City. The VAC consisted of nine (9) members as follows:

- One (1) appointment by each City Council member (6);
- Two (2) appointments by the Mayor; and,
- One (1) appointment by the City Manager, who shall be the chair among the group of nine (9) members.

ISSUE:

Staff has been in conversation with the current Chairperson of the VAC regarding membership and meeting attendance. We believe it is in the best interest of the VAC to decrease the membership down from nine members to seven members and to institute a term of three (3) years for all members as is the case in most other committees. The members of the revised VAC will be appointed as follows:

- One (1) appointment by the Mayor; and,
- One (1) appointment by each City Council Member (6).

The City Manager shall be responsible for designating the Chairperson and Vice Chairperson.

If approved, Staff will issue an open call for membership as has been done with other Committees and Boards in 2025.

RECOMMENDATION:

Staff recommends that the City Council take the following actions:

1. Adopt the attached legislation creating the revised Veterans' Advisory Committee in Chapter 9, Boards, Commissions, Committees, Agencies and Councils, of the Code of the City of New Rochelle.

LEGISLATION

ORDINANCE AMENDING CHAPTER 9 OF THE CODE OF THE CITY OF NEW ROCHELLE TO ESTABLISH A REVISED VETERANS' ADVISORY COMMITTEE.

WHEREAS, on January 16, 2018, the City Council adopted Resolution No. 10 [1-16-2018] establishing the Veterans' Advisory Committee ("VAC") to advise the City on policies and programs related to the interests of veterans residing in New Rochelle; and

WHEREAS, the original VAC consisted of nine (9) members appointed by the Mayor, City Council, and City Manager; and

WHEREAS, City staff, in consultation with the current VAC Chairperson, has determined that restructuring the committee to reduce its size and implement staggered three-year terms will improve participation, continuity, and effectiveness; and

WHEREAS, the City Council finds it in the best interest of the City to reconstitute the VAC to better reflect the structure of other City boards and committees, while continuing its vital role in advising on veteran-related matters.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of New Rochelle, as follows:

Section 1. Amendment to Chapter 9 of the Code of the City of New Rochelle

Chapter 9, entitled "Boards, Commissions, Committees, Agencies and Councils," of the Code of the City of New Rochelle is hereby amended to add a new article, Article XXXII, entitled "Veterans' Advisory Committee," to read as follows:

§ 9-126. Membership.

1. One (1) member appointed by the Mayor; and
2. One (1) member appointed by each member of the City Council (six total).

§ 9-127. Terms of Office.

All members shall serve for a term of three (3) years. Members may be reappointed upon the expiration of their term. Vacancies shall be filled for the unexpired term in the same manner as the original appointment.

§ 9-128 Chairperson and Vice Chairperson.

The City Manager shall designate one member to serve as Chairperson and one member to serve as Vice Chairperson of the Committee.

§ 9-129. Meetings and Procedures.

The Committee shall meet at least quarterly and at such other times as deemed necessary by the Chairperson. A majority of the members shall constitute a quorum for the transaction of business. The Committee will present a report to City Council a minimum of once per year.

§ 9-130. Duties and Responsibilities.

The Committee shall:

- A. Assess the needs of military veterans and recommend a direction for increased services and resources;
- B. Advise the City Council and City Administration on policies, programs and events relating to the interests and concerns of military veterans and active-duty service members in New Rochelle;

SUBJECT: APPOINTMENT OF CITY COUNCIL MEMBER SELECTIONS TO THE CIVILIAN COMPLAINT REVIEW BOARD (CCRB) - Resolution appointing members to the Civilian Complaint Review Board (CCRB).

BACKGROUND:

In June of 2020, former Governor Cuomo issued Executive Order 203, "New York State Police Reform and Reinvention Collaborative." The Executive Order directed each local government with a police agency to perform a comprehensive review of practices and policies to promote fair and transparent community-oriented policing strategies designed to eliminate racism and racial disparities.

In 2021, the New Rochelle City Council established the New Rochelle Community Police Partnership Board ("CPPB") as the first component of the New Rochelle's Police Reform and Collaborative Plan and charged it with, among other things, researching and recommending a framework for the creation of a Civilian Complaint Review Board ("CCRB").

In October of 2024, the City Council formally adopted the establishment of a CCRB here in the City of New Rochelle. CCRB goals are to improve communication between the Police Department and the community, to increase police accountability and credibility with the public, and to create a complaint review process that is free from bias and informed of actual police practices.

ISSUE:

The CCRB consists of seven members. Six members, comprised of one member from each Council District selected by the City Council member serving that District, will be appointed by a majority vote of the City Council. One member shall be from the City at large and will be appointed by the Mayor. Members shall be appointed for three-year terms, except that upon initial appointment there shall be four members serving three-year terms and three members serving two-year terms; every person thereafter shall be appointed to a three-year term. The City Council, with the approval of the Mayor, shall select one member to serve as the Chairperson for a one-year term.

City staff created an application process for City residents to apply for membership on the CCRB. By the end of the application period, the City had received over 30 applications. Applications were sorted by City Council District and provided to the respective Council Members for review and selection. The Mayor was provided all applications received for her review and selection as well.

As adopted, the CCRB requires that members:

- Submit to a fingerprint check;
- Sign a confidentiality oath;
- Be willing to receive civilian complaints;
- May be a present or former member of the New Rochelle Police Department or any other police organization, or a current-elected official, City official, employee of the City, or a member of another City board (other than the Board of Education). No member may be a relative of a present or former member of the New Rochelle Police Department or any other police organization, an elected official, City official or employee of the City. A "relative" is defined as a spouse, parent, stepparent, sibling, step-sibling, sibling's spouse, child, stepchild, uncle, aunt, nephew, niece, or first cousin;
- May not serve or remain on the CCRB if they have been convicted of a felony within the past five years (unless such felony has been discharged or expunged); have been incarcerated in the past five years; or have been on probation or parole in the past five years; and,
- Must be 18 years of age or older and reside in the City of New Rochelle.

The following individuals have been selected by the Mayor and Members of the City Council and have met all necessary requirements to be appointed to the inaugural CCRB:

SUBJECT: PROPOSED AMENDMENT TO THE 2025 BUDGET RE: POSITION CHANGES - Ordinance approving position changes in the Department Parks & Recreation and amending Ordinance No. 212 of 2024, the Budget of the City of New Rochelle for 2025.

BACKGROUND:

Due to increased duties and responsibilities, please see the following upgrades which will help meet the growing demands of the Parks & Recreation Department. It is recommended that the FY 2025 Budget be adjusted, to reflect the following position changes, for the remainder of 2025 (approximately 6 months). With available salary savings from vacant positions in the Parks & Recreation Department, position changes are within the current budget and no new appropriation of funds is necessary.

ISSUE:

- **Parks and Recreation Department**
 - o **Parks & Recreation Maintenance Bureau (7140): Addition of one (1) Skilled Laborer**
 - § The addition of one (1) Skilled Laborer would increase the number of crews that newly created crew leaders could work with on a daily basis; which boosts our productivity as we continue to face increased demands on our department. The number of citywide programs, initiatives, special events and park visitors have all greatly increased in the past several seasons.
 - § While this position is an entirely new position, there is adequate salary savings within the Facility Maintenance Bureau to cover these labor and benefit costs for the FY 2025 Budget.
 - o **Parks & Recreation Administration (7020): Reclassification of one (1) Senior Clerk to Senior Customer Service Representative**
 - § This reclassification is strictly a title change. There is no salary change. Both Senior Clerk and Senior Customer Service Representative are CSEA Grade 5A.
 - o **Parks & Recreation Office for the Aging (6772): Addition of one (1)**

Customer Service Representative and the reduction in the Hourly Budget Line

- § The addition of a Customer Service Representative will provide for additional full-time staff coverage at the Doyle Center. Due to increased attendance & programming, part-time coverage for certain positions is no longer sufficient. These title changes also guarantee coverage and solidify necessary work duties for current employees as well.

RECOMMENDATION:

With available salary savings from vacant positions in the Parks & Recreation Department, position changes are within the current budget and no new appropriation of funds is necessary.

DATE: June 17, 2025

SUBJECT: PROPOSED ORDINANCE AUTHORIZING TEMPORARY RENT REDUCTION FOR CURRENT MUNICIPAL MARINA TENANTS - Ordinance authorizing a 50% rent reduction for Municipal Marina Tenants due to ongoing capital construction and amending Ordinance No. 212 of 2024, the Budget of the City of New Rochelle for 2025.

BACKGROUND:

The City of New Rochelle's Municipal Marina contains real estate that has traditionally been leased out to private vendors. Currently the Municipal Marina has seven tenants including Kenny's on the Water Restaurant (formerly Patsy's).

The main revenue generator for most of the remaining six vendors comes from boating activities occurring at the Municipal Marina. Due to the ongoing construction of the new Marina Deck, summer slip rentals and winter storage have declined significantly - resulting in these vendors experiencing hardships both financially and logistically.

ISSUE:

As tenants of the City of New Rochelle who are being impacted by a City capital construction project, staff believe it is in the best interest of the City to offer the below identified tenants a 50% rent reduction on their current rental rates for the period July 2025 - December 2025. The proposed reduction does not apply to monthly utility payments required under some of the tenant's license agreements.

The following tenants shall receive the aforementioned rent reduction:

- Marine Detailers Inc.
- Power Boats New Roc Ltd.
- Al's Marine Repair, Inc.
- Carthom Upholstery Corp.
- T&G Electrical Contracting Inc.
- Port Sailing Center Inc.

It should be noted that rental revenue for the Marina tenants goes to the Marina Enterprise Fund; therefore, this proposed rent reduction would not effect the City's General Fund.

RECOMMENDATION:

Staff recommends that City Council adopt a resolution authorizing a 50% rent reduction on the current rental rates for the period July 2025 - December 2025 for the aforementioned Municipal Marina tenants.

Ordinance No. 212 of 2024, the budget of the City of New Rochelle for 2025, is hereby amended as follows:

Decrease Revenue:

7989ER-2412	Lease/Rent Revenue	(\$39,577)

Decrease Fund Balance:

ORDINANCE AUTHORIZING A 50% RENT REDUCTION
FOR MUNICIPAL MARINA TENANTS DUE TO ONGOING
CAPITAL CONSTRUCTION AND AMENDING ORDINANCE
NO. 212 OF 2024, THE BUDGET OF THE CITY OF NEW
ROCHELLE FOR 2025.

WHEREAS, the City of New Rochelle's Municipal Marina has historically leased real estate to private vendors, including seven current tenants, to support waterfront activities and services; and

WHEREAS, the City is undertaking a significant capital construction project involving the demolition and replacement of the Marina Parking Deck, a structure over 50 years old, with completion anticipated by spring 2025; and

WHEREAS, this construction has led to reduced access and visibility for marina patrons, resulting in a decline in boating activities, summer slip rentals, and winter storage, thereby impacting the financial stability of the marina's tenants; and

WHEREAS, the tenants affected by these circumstances include:

- Marine Detailers Inc.
- Power Boats New Roc Ltd.
- Al's Marine Repair, Inc.
- Carthom Upholstery Corp.
- T&G Electrical Contracting Inc.
- Port Sailing Center Inc.

WHEREAS, the City recognizes the hardship faced by these tenants due to the ongoing construction and seeks to provide temporary financial relief; and

WHEREAS, the proposed 50% rent reduction, on their current rates, for the period of July 2025 through December 2025 is deemed appropriate to support the tenants during this challenging period; and

WHEREAS, this rent reduction applies solely to the base rental rates and does not extend to any monthly utility payments or other charges as stipulated in the tenants' agreements; and

WHEREAS, rental revenue from the Municipal Marina tenants is allocated to the Marina Enterprise Fund, ensuring that this rent reduction will not impact the City's General Fund; and

NOW, THEREFORE, BE IT ORDAINED, by the City Council of the City of New Rochelle:

Section 1. The City Manager is hereby authorized to implement a 50% rent reduction for the tenants listed above for the period of July 2025 through December 2025.

Section 2. The City Manager shall take all necessary actions to effectuate this rent reduction and ensure that the tenants are notified accordingly.

Section 3. Ordinance No. 212 of 2024, the budget of the City of New Rochelle for 2025, is hereby amended as follows:

MEMORANDUM

TO: Honorable Mayor and City Council

THRU: Wilfredo Melendez, City Manager

FROM: Adam Salgado, Commissioner of Development

DATE: June 17, 2025

SUBJECT: PROPOSED REALLOCATION OF HOME AND HOME ARP FUNDS - Resolution authorizing reallocation of HOME and HOME-ARP funds for Tenant Based Rental Assistance (TBRA) and amendments to the 2021 and 2022 Home Annual Action Plans and Budgets. (Intro. 5/6/25; Public Hearing 6/10/25).

Background:

In 2016, New Rochelle implemented the Tenant Based Rental Assistance (TBRA) program to provide rental assistance and supportive services to New Rochelle residents experiencing homelessness. In 2024 with the implementation of HOME-ARP funding, the population served was expanded to include homeless individuals and families; those experiencing homelessness per McKinney-Vento; those fleeing domestic violence, sexual assault or human trafficking; people at-risk of homelessness (self-paying, no shelter voucher, couch surfing, leaving prison or mental health facility); and those who are housing unstable.

Since the 2024 program expansion, the City added 16 new families to our TBRA program and currently supports 39 active recipient households.

To continue funding the Tenant Based Rental Assistance program, the Department of Development proposes reallocating unused HOME and HOME-ARP funds from prior program years. The proposed reallocations would make \$474,429 available for Tenant Based Rental Assistance, supplementing \$335,567 already allocated in the anticipated 2025 budget.

This strategic reallocation ensures that available resources are directed toward ongoing assistance to some of New Rochelle's most vulnerable residents. We look forward to the Council's support in advancing this essential initiative.

Issue:

To move forward with this proposed reallocation, the City must amend its HOME Annual Action Plans and budgets for program years 2021 and 2022. Federal regulations require a Substantial

Amendment to these plans, which necessitates the following:

- Amendments to the 2021 and 2022 HOME Annual Action Plans.
- Amendments to the 2021 and 2022 HOME Budgets and 2021 HOME ARP Budget
- A Public Hearing scheduled for June 10, 2025.
- A 30-day Public Comment Period from May 7, 2025 to June 12, 2025.

Appropriations for prior year HOME and HOME ARP funds will be modified as follows:

(Intro. 5/13/25; Public Hearing 6/10/25).

BACKGROUND:

Professional massage therapy is widely recognized as a legitimate and beneficial health service. Unfortunately, over the past year the City of New Rochelle has received numerous complaints regarding the occurrence of illicit activity, including but not limited to human trafficking, prostitution, and the operation of unlicensed or unqualified practitioners, at various massage establishments throughout the City.

ISSUE:

The establishment of regulations governing massage establishments is necessary to promote and protect the public health, safety, and welfare. The purpose of such regulations is to implement reasonable and enforceable standards that support legitimate massage therapy practices while addressing and mitigating the risk of unlawful or exploitative conduct. These regulations are intended to strike an appropriate balance between fostering a safe and professional environment

for therapeutic services and ensuring the integrity of local businesses and neighborhoods.

In conjunction with the adoption of such regulations, the following corresponding amendments to the City's Zoning Code are necessary to ensure consistency and to provide appropriate land use classifications and conditions for massage establishments.

RECOMMENDATION:

Staff recommends that City Council take the following actions:

1. Direct that a Public Hearing be scheduled for June 10, 2025 regarding the Proposed Zoning Code Amendments, as noted above and pursuant to the regulations set forth in Section 331-146, and refer same to the Planning Board and the Westchester County Planning Board;
2. Declare itself Lead Agency for the purposes of an environmental review pursuant to the State Environmental Quality Review Act (SEQRA). A Short Environmental Assessment Form (SEAF) is attached; and,
3. Approve these zoning amendments pending the outcome of the Public Hearing and responses from the City's Planning Board, and the Westchester County Planning Board.

 - (9) The maximum number of private rooms to be utilized for massages and the number of entrances and exits to the massage establishment itself.
 - (10) Whether any part of the premises to be used will be used for any purpose other than for providing of massages.
 - (11) The names and addresses of all persons who will be providing massage services, and provide copies of their valid licenses, permits and/or registrations required to perform such services. Should the list of persons subsequently change due to new hires or terminations of employment, within 10 days of the change the City Clerk must be notified in writing and provided an updated list.
 - (12) Affix to the application two copies of a drawing showing the dimensions of all rooms to be used for massage and the locations therein of all massage tables.
- B. Said application shall be signed and sworn to, before a notary public or other officer authorized to administer an oath, by all persons coming under §121-7A(1).
- C. If the applicant has previously had a massage establishment or similar license suspended or revoked, or if any of the persons enumerated in §121-7A(1) or (2) were named in an application for a massage establishment license that was suspended or revoked, or a materially false statement is contained in the filed or a prior massage establishment license application, all persons described in §121-7A(1) and (2) shall be fingerprinted as part of the application process. The application shall be deemed incomplete and be automatically denied if any of the persons enumerated in §121-7A(1) and (2) have not submitted their fingerprints with said application. The fingerprints shall be provided in a manner prescribed by the City's Police Commissioner or his/her designee.
- D. Said application shall be referred to the Police Commissioner, Fire Commissioner and Building Code Enforcement Officer for proper investigation of the applicant and the premises, and a determination of whether such applicant and premises conform to the requirements of this Chapter and all laws and regulations of the State of New York and

the City. At the conclusion of such investigation, each of these said official shall render a recommendation as to whether or not such application should be granted.

- E. Within 30 days after the receipt of the recommendations of the Police Commissioner, Fire Commissioner and Buildings Code Enforcement Officer, the City Clerk will grant or deny such license. The City Clerk shall grant such massage establishment license if, and only if, said officials each recommend that such license be issued.
- F. If a license is denied by the City Clerk:
 - (1) Notice shall be given to the applicant within 10 days after the City Clerk's receipt of the recommendations stated in subsection E above, whereupon the applicant may appeal such denial within 30 days of the notice date. If the applicant timely appeals such a denial in accordance with this subsection, the applicant must be prepared to go to a hearing on the appeal within 30 days of the City's Clerk's receipt of the notice of appeal.
 - (2) The Commissioner of Buildings shall be required to complete a hearing upon every appeal from the denial of a massage establishment license within 30 days of its commencement or within a mutually agreed-upon time thereafter, not to exceed an additional 30 days. The applicant shall be given at least 10 days' notice of such hearing, which notice shall include a statement of the time, place and nature of the hearing; a statement of the legal authority and jurisdiction under which the hearing is to be held; a reference to the particular sections of the statutes and rules involved, where possible; and a short and plain statement of matters asserted. Upon application of the applicant, a more definite and detailed statement may be furnished if the Commissioner of Buildings finds that the statement initially provided was not sufficiently definite or sufficiently detailed. Any statement furnished shall be deemed, in all respects, to be a part of the notice of hearing.
 - (3) At such hearing, the applicant shall be given an opportunity to present oral and/or written argument on issues of law and an opportunity to present evidence and such argument on issues of fact.
 - (4) Unless precluded by statute, disposition may be made of any hearing by stipulation, agreed settlement, consent order, default or other informal method.
 - (5) After the conclusion of said hearing and within a period of 30 days after the record is closed, the Commissioner of Buildings shall be required to find, in writing, whether the application is incomplete, the denial should be upheld, or, in the exercise of his/her discretion, the massage establishment license must be issued by the City Clerk. A finding that false information was provided on the

application filed may be used as a basis for denial. In any case, written findings shall be provided to the application to support the action taken.

- (6) In no event shall massages be permitted pending the appeal or determination of a finding pursuant to §121-7I.
- G. All massage establishment licenses expire one year after the anniversary of the date of prior issuance. A complete application for renewal must be received by the City Clerk on or before the anniversary date for the provisions of subsection H below to apply. If required pursuant to §121-7C, fingerprints shall be provided with the initial application and every two years thereafter with the annual renewal application.
- H. When an applicant has made a timely and complete application to renew a previously issued massage establishment license, the prior year's license shall not expire until a determination on the renewal application has been made by the City Clerk; or, if the application is denied and timely appealed, until a decision on the denial has been rendered by the Commissioner of Buildings after the hearing thereon.
- I. If the recommendations of any one of the officials described in subsection D of this section contain findings that the public health, safety and welfare require emergency action and the termination of all massage establishment activities pending such action, the provisions of §121-16 shall apply.

Section 8. SUSPENSION OR REVOCATION OF LICENSE; SUPPLEMENTAL LICENSE.

- A. A license may be suspended or revoked by the City Clerk upon written recommendation from the Police Commissioner, Fire Commissioner, or Buildings Code Enforcement Officer, citing a violation of this Chapter, applicable state or local laws, or the allowance of disorderly, obscene, or immoral conduct on or near the licensed premises. The City Clerk shall notify the applicant within 10 days of such action. The applicant may appeal within 30 days, following the procedures set forth in §121-7F. Reopening procedures shall follow §121-14.
- B. Whenever a massage establishment license is suspended or revoked, no refund of any unearned portion of the fee shall be made, and at least six months from the time of such suspension or revocation shall elapse before another license shall be issued to the applicant or any of the persons enumerated in §121-7A(1) and (2) on the application. If the license of any massage establishment is twice suspended or revoked within a period of one year, a new license shall not be issued to such applicant or any person enumerated in §121-7A(1) and (2) for a period of at least one year from the date of the second suspension or revocation.

Section 9. SUPPLEMENTAL LICENSE; REPLACEMENT OF LICENSE.

- A. Where there is any change regarding any person enumerated in §121-7A(1) or (2), or where there is a change in the nature of the activities to be conducted in such massage establishment, the applicant shall cause to be filed with the City Clerk, within 10 days thereof, a supplemental application setting forth the name or names of all persons so affected, along with all other information required to be furnished by such person under § 121-7A(1) and (2). A supplemental filing fee set forth in Chapter 33, Fees, shall be paid at the time of application. Supplement applications shall be subject to the procedures and provisions set forth in §121-7 hereof.
- B. Whenever a new massage establishment license is required because of a change in the name of a currently licensed massage establishment or whenever a license is lost or destroyed without fault on the part of the holder or his agent or employee, a duplicate license, in lieu thereof, may be issued upon notarized written request and the payment of a fee established in Chapter 33, Fees.

Section 10. POSTING OF LICENSES.

Every person who obtains a massage establishment license in accordance with this Chapter shall immediately post such license and keep the same posted while in force in a conspicuous place stated in the application for such license. In addition, a copy of the current New York State license/permit, registration and a photo ID of each person performing massages on the premises shall be posted in that location to establish that all persons providing massage services on the premises are properly licensed and registered. Home addresses may be redacted before posting the documents. Upon request by a customer, the Building Department or the Police Department, the originals of such documents shall be produced for inspection. This requirement shall not apply to a person exempt by state law from having to be licensed and/or registered.
