City of New Rochelle
Development

MEMORANDUM

TO: Honorable Mayor and City Council
THRU: Wilfredo Melendez, City Manager
FROM: Adam Salgado, Commissioner of Development
DATE: February 18, 2025
SUBJECT: PROPOSED AUTHORIZATION TO NEGOTIATE AND EXECUTE LICENSE AGREEMENT - Resolution authorizing the City Manager to enter into an agreement with the New Rochelle Council of the Arts (NRCA) relative to the New Rochelle Transit Center.

BACKGROUND:

Since 2022, the City has utilized the second floor of the New Rochelle Transit Center as a community and business incubator, fostering discussions on innovation, business engagement, and creative placemaking. The New Rochelle Council on the Arts (NRCA) has proposed using this space as a hub for meetings, planning sessions, and events that align with the City's broader vision of integrating the arts into economic development efforts.

By convening artists, stakeholders, and community leaders, NRCA's presence would contribute to ongoing discussions around creative economy initiatives while supporting arts-driven economic development strategies. While some space would be used for materials related to event operations, the primary focus would be on leveraging the venue to engage the public, cultivate partnerships, and enhance New Rochelle's cultural profile.

ISSUE:

As the City continues to position the Transit Center as a key engagement space, it is important to ensure that NRCA's programming complements existing initiatives. A formal agreement should outline expectations regarding event coordination, shared space accessibility, and long-term activation strategies to maximize community benefit. Establishing clear parameters for scheduling and operational responsibilities will help balance NRCA's programming with the City's broader use of the space.

PROPOSAL:

The attached letter proposes an initial license term is for three (3) years. NRCA will clean and maintain the premises and conduct cosmetic changes to the space prior to occupying it.

RECOMMENDATION:

The Department of Development recommends that the City Council adopt a resolution authorizing the City Manager to negotiate and enter into a license agreement with New Rochelle Council on the Arts to use and occupy the commercial space located on the second floor of the New Rochelle Train Station building.

LEGISLATION

RESOLUTION AUTHORIZING THE CITY MANAGER TO
ENTER INTO AN AGREEMENT WITH NEW ROCHELLE
COUNCIL OF THE ARTS (NRCA) RELATIVE TO THE NEW
ROCHELLE TRANSIT CENTER.

WHEREAS, since 2022, the City has utilized the second floor of the New Rochelle Transit Center as a community and business incubator, fostering discussions on innovation, business engagement, and creative placemaking; and

WHEREAS, New Rochelle Council of the Arts (NRCA) has proposed using this space as a hub for meetings, planning sessions, and events that align with the City's broader vision of integrating the arts into economic development efforts; and

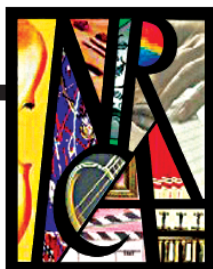

WHEREAS, by convening artists, stakeholders, and community leaders, NRCA's presence would contribute to ongoing discussions around creative economy initiatives while supporting arts-driven economic development strategies with the primary focus on leveraging the venue to engage the public, cultivate partnerships, and enhance New Rochelle's cultural profile; and

WHEREAS, the attached letter proposes an initial license term for three (3) years in which NRCA will clean and maintain the premises and conduct cosmetic changes to the space prior to occupying it; now, therefore

BE IT RESOLVED, that the City Manager is hereby authorized to negotiate and enter into a license agreement with New Rochelle Council on the Arts to use and occupy the commercial space located on the second floor of the New Rochelle Train Station building upon such terms and conditions as shall be satisfactory to the City Manager and approved by Corporation Counsel.

Re: Letter of Intent

Dear Adam:

The following represents a summary of the New Rochelle Council on the Arts' proposal to the City of New Rochelle regarding the use of the second floor of the transit center as an office. This letter contains nonbinding provisions of understanding between the parties. Unless otherwise explicitly stated, it does not impose any legal obligations on either party.

Our proposal is as follows:

The New Rochelle Council on the Arts (NRCA) seeks approval from the City of New Rochelle (the City) to use the second floor of the train station as an office and meeting space.

The NRCA will use the space to store equipment (such as a laptop and plastic A frame sign holders used to promote our events) and files in the two locked rooms. The shared conference room, kitchenette and bathroom area will be used as a meeting space as agreed upon with the City of New Rochelle. The NRCA will be responsible for cleaning and maintaining the space and any cosmetic changes. The NRCA will work with the City to activate the train station by sponsoring arts events -- such as exhibits and music performances -- for the public during the year. Additionally, the NRCA understands that shared areas of this space are to be made available to other groups upon coordination with the City of New Rochelle

In 2025 the NRCA celebrates its 50th year, and we appreciate the continued support of the City of New Rochelle. Thank you for your consideration of this Proposal.

With best regards,

Theresa Kump Leghorn
President

THRU: Wilfredo Melendez, City Manager

FROM: Dawn Warren, Corporation Counsel

DATE: February 18, 2025

SUBJECT: PROPOSED LEGISLATION RE: 625 NORTH AVENUE - EDPL - Resolution authorizing the City Manager to submit written offer and commence legal proceedings for acquisition of 625 North Avenue (Section 3, Block 998, Lots 17, 19 and 25) pursuant to New York State Eminent Domain Procedure Law.

BACKGROUND:

Pursuant to the New York State Eminent Domain Procedure Law ("EDPL"), the City Council has initiated proceedings to acquire 625 North Avenue (the "Property") for the purpose of establishing a multi-generational community programming center and intergenerational housing, thereby providing public access and enhancing community development. A public hearing regarding the acquisition was duly conducted on May 9, 2023, and September 10, 2024. Following these proceedings, the City approved the Determination and Findings in accordance with Article 2 of the EDPL.

The Property consists of a three-parcel assemblage owned by two separate entities, as follows:

- **Parcel 3-998-0017:** Currently improved with an asphalt parking lot supporting Parcel 3-998-0019. The property is bordered by North Avenue to the west, Treno Street to the south, and single-family homes to the east. The land area is approximately 0.160 acres.
- **Parcel 3-998-0019:** Currently a vacant, free-standing retail building (formerly a CVS), with small parking lots on both sides of the structure. These parking areas, totaling approximately 37 spaces, are not part of this parcel but have historically been used in conjunction with Parcels 3-998-0017 and 3-998-0023 as one economic unit. The property is bordered by North Avenue to the west, Brookside Place to the north, and single-family homes to the east. The land area is approximately 0.200 acres.
- **Parcel 3-998-0023:** Currently improved with an asphalt parking lot supporting Parcel 3-998-0019. The property is bordered by North Avenue to the west, Brookside Place to the north, and single-family homes to the east. The land area is approximately 0.290 acres.

ACQUISITION PROCESS:

Pursuant to EDPL §303, the City is required to make a written offer to acquire the Property for one hundred per centum of the valuation established by appraisals prepared in January 2025. The total appraised valuation for the Property is \$3,056,000, allocated as follows:

- **Parcel 3-998-0017:** \$488,000
- **Parcel 3-998-0019:** \$1,810,000
- **Parcel 3-998-0023:** \$758,000

Upon issuance of the written offers, the owners of the Property may either: (a) accept the offer as full and final payment for the Property, or (b) reject the offer as final payment and instead elect to accept the offer as an advance payment, reserving the right to seek additional compensation through judicial proceedings. In the event of the latter, the City will proceed with filing a Petition pursuant to Article 4 of the EDPL to acquire title to the Property through eminent domain. Upon the granting of the Petition, title will vest in the City, enabling the advancement of the public project.

RECOMMENDATION:

The Department of Law recommends that the City Council authorize the City Manager, or a designated representative, to:

1. Submit a written offer for the entirety of 625 North Avenue in accordance with EDPL Article 3, based on the appraised valuation.
2. Initiate and pursue legal proceedings under EDPL Article 4 to acquire the Property through eminent domain for the purpose of establishing a multi-generational community programming center and intergenerational housing.

MEMORANDUM

TO: Honorable Mayor and City Council

THRU: Wilfredo Melendez, City Manager

FROM: Robert Gazzola, Police Commissioner

DATE: February 18, 2025

SUBJECT: PROPOSED AMENDMENT TO 2025 BUDGET RE: ADDITION OF ONE SCHOOL CROSSING GUARD POSITION - Ordinance amending Ordinance No. 212 of 2024, the budget of the City of New Rochelle for 2025 relative to the addition of a Crossing Guard Position.

Background

The current post at the Isaac E. Young School, which is presently staffed by a Community Service Officer, will be officially designated as a school crossing. As a result, this post will require a dedicated School Crossing Guard. Reassigning this responsibility will allow the Community Service Officer to be redeployed to the downtown New Rochelle area, where increased traffic volume and parking violations require additional enforcement.

Recommendation

To ensure adequate coverage at the Isaac E. Young School and enhance enforcement in the downtown New Rochelle area, the Police Department requests the addition of one School Crossing Guard position. This addition will improve both the efficiency and effectiveness of the Parking Enforcement Community Service Officer, allowing for greater flexibility in addressing specific parking concerns and enforcement needs.

Ordinance No. 212 of 2024, the budget of the City of New Rochelle for 2025, is hereby amended as follows:
